Re: Study visit in Geneva for students of the second year – 6 and 7 November 2019

Dear LLM students,

a study visit in Geneva is being organised on 6 and 7 November within the class of International Organizations and Sustainable Development.

There are still some places available. Second year students from other classes are also welcome if they wish to take part to this visit, up to a maximum number of 20 participants. The visit will take place with at least 15 participants.

A provisional programme of the visit is set out below.

Registrations will be accepted on a “first come first served” basis until the maximum number of participants is reached.

In order to register, please send me an (zeno.crespi@unimi.it) with your name and University number (numero di matricola).

Students will have to take care of their own travel and accommodation plans and expenses (including Visa formalities if required).

They will be required to be in Geneva, on 6 November 2019, at noon.

Kind regards,

Prof. Zeno Crespi Reghizzi
